Identifying Angles in 2D Shapes

Geometry – Year 6

Look at each shape below. Use the following markings:

 Right angle (draw a small square)	 Acute angle (draw a small arc)	 Obtuse angle (draw a large arc)
--	---	--

Mark all the right angles, acute angles and obtuse angles in each shape.

1. 	2. 	3. 
4. 	5. 	6. 
7. 	8. 	9. 
10. 	11. 	12.
