Picture Subtraction Problems

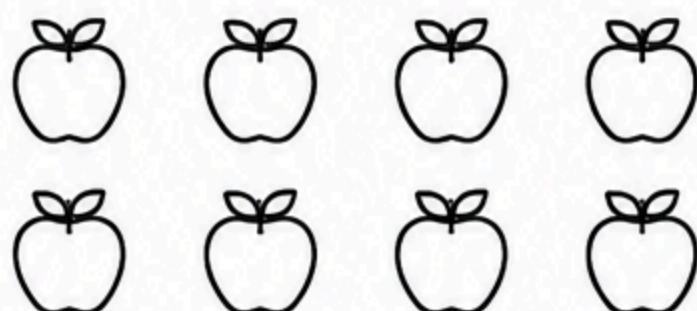

Count the objects in each picture. Cross out the amount being subtracted to find the answer.

Example:

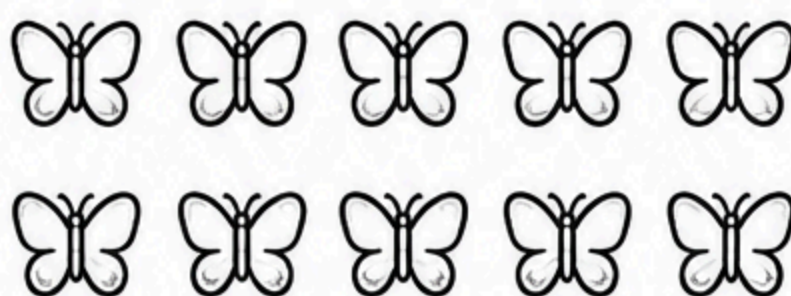

$$5 - 2 = \square$$

1. There are 8 apples. Cross out 3.

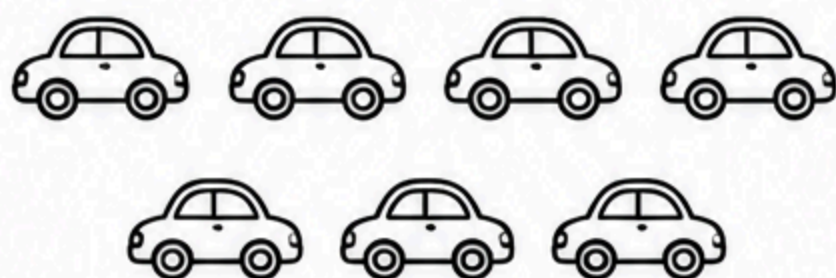

$$8 - 3 = \square$$

2. There are 10 butterflies. Cross out 4.

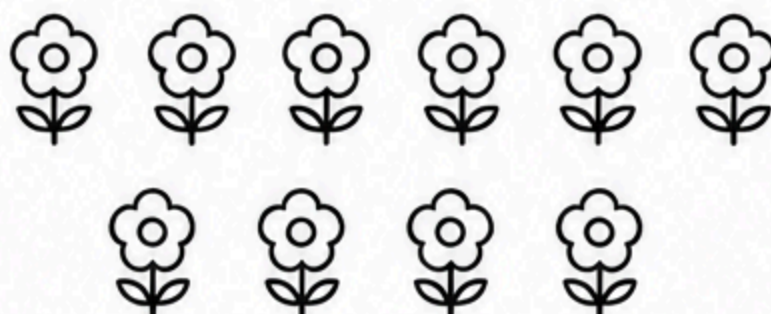

$$10 - 4 = \square$$

3. There are 7 cars. Cross out 2.

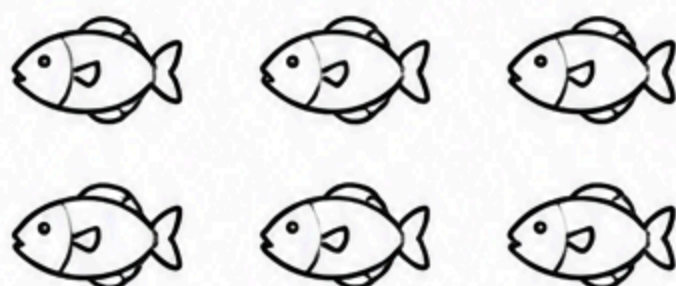

$$7 - 2 = \square$$

4. There are 9 flowers. Cross out 5.

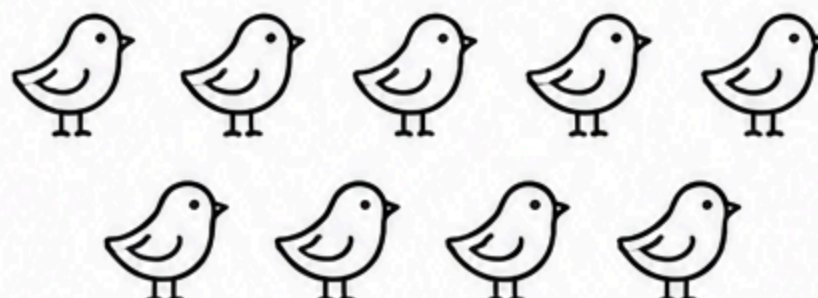

$$9 - 5 = \square$$

5. There are 6 fish. Cross out 1.

$$6 - 1 = \square$$

6. There are 9 birds. Cross out 3.

$$9 - 3 = \square$$
